NATIONAL PROCEDURE

Submitted by admin on Mon, 19/02/2018 - 10:45

If at least one active substance of the biocidal product is still in the review program in relevant PT and is not approved yet, then the biocidal product should be authorised in Poland according to the national procedure (during the transitional period). The fees for the registration under the national procedure are presented in the table below.

Application Type	Total fee [PLN]
application for authorisation for placing of a biocidal product on the market	1 000
application for data modification of the authorisation	500
application for change of the authorisation holder	100
