## ADVICE PROVIDING

Submitted by admin on Mon, 19/02/2018 - 10:52

This activity refers to the provision of advice about the possibility of adapting the data requirements of Articles 6 and 20 of Regulation (EC) No 528/2012 (BPR), the grounds on which such an adaptation can be made, and on how to prepare a proposal.

Type of dossier	Dossier concerning biocidal product according to Annex III of BPR	Dossier concerning active substance according to Annex II of BPR
Physico-chemical properties	1 000 PLN	2 000 PLN
Efficacy	1 000 PLN	2 000 PLN
Toxicology	1 000 PLN	2 000 PLN
Ecotoxicology	1 000 PLN	2 000 PLN
Intended uses and exposure	1 000 PLN	2 000 PLN

Transfer description:

The appropriate fee must be paid to the bank account number of the Office for Registration of Medicinal Products, Medical Devices and Biocidal Products, in accordance with art. 44 paragraph 4 of the Act of 9 October 2015 on biocidal products.

Please describe the transfer as follows:

Fee for providing advice of the President of the Registration Office regarding .....

(please indicate the scope as specified in the request for payment of the fee, e.g. "in the scope of physicochemical tests of a biocidal product based on sodium hypochlorite" and the application number appearing on the request, e.g. UR.DIB.IBI. 429.1.2019.XX)
